Convenor's report

January 2002

This last quarter has certainly brought an increased energy to the library. Many new books on the shelves, new members and a lot of fresh volunteers who are rapidly learning the ropes and contributing to the efficient running of our service.

We are again in the process of applying for a renewal of our council lease and subsidy. Our growth and the increasing community interest in the library should give council good reason to continue their generous support and ensure we have a fabulous year.

However, we still need your support! For an exciting evening out we invite you to join us for our Annual General Meeting on Monday 18 Feb at 6pm.

Following the AGM we'll have a BBQ to meet and socialise over a drink and sausage. So please join us for the meeting and/or the BBQ.

Again many thanks to the volunteers, both new and long-serving, for your dedicated support. But we still need many more to fully cover all the shifts and continue to ensure continuing good service at the Library.

A reminder to members who have not yet renewed....please do so as soon as you can. We value your continuing interest.

Happy New Year to all, and I hope to see you at the AGM or at the library soon.

Management committee

Some of the hardest-working members of the library's management committee will not be able to continue their commitment this year. We would be very interested in hearing from you if you can contribute to the running of the library by joining the committee. If you'd like to know more phone Danielle on 9699 9981 or write to her: dcairns@tig.com.au
